Strong moving dressage horses

The auction traditionally opens with a very special gem of the auction collection. Head number 1 in the 62nd Westphalian Elite Auction is Baileys on Ice by Benicio/Florestan I. The three-year-old gelding is an exceptional horse in a class of his own! Already victorious and highly placed in tests for young riding horses, he became the Vice-Champion of three-year-old riding horses at the Westphalian Week 2021. Baileys on Ice is an absolute dream horse that makes everyone's heart beat faster. Interesting for breeding and sport is the Don Nobless/Laudabilis-daughter Diamonique (breeder: Maria Leusmann, Rheine). Equipped with outstanding movement quality, this mare presents herself on the Westphalian auction floor. She passed her mare performance test with a final score of 8.41. This was the third best result of all mare performance tests of the year 2021. For her canter she received the highest score of 10.0. For rideability the judges attested a 9.5. A horse that leaves no desires open.

Riding ponies for the highest demands

Five exclusive riding ponies for the highest demands will be offered for sale in the middle of this elite collection. The licensed FS Daddy Cool/FS Golden Moonlight son Diamond Blue (breeder: Ulrich and Katja Neuhaus, Overath) will open the pony collection. The quality eight-year-old stallion has already been victorious and placed up to elementary class. Absolutely reliable and uncomplicated in handling, he is a guarantee for success in the upcoming competition season. The finalist of this year's Bundeschampionat for three-year-old riding ponies presents herself with the head number 26. Amazing Girl KE is a daughter of A kind of Magic/Cappuccino (breeder: Elke Kühn, Rietberg). Equipped with three excellent basic gaits and best riding qualities, she is waiting to compete in the big championships!

First class jumping aspirants

The BidUp of the show jumping horses will start at 5 pm on Sunday. Caballero (breeder: Lukas Enting, Netherlands) will open up the highly interesting lot with the head number 52. The grey stallion is a very eye-catching son of the successful Olympic stallion Cartello VDL. His granddam produced Fabrice DN, who is currently successful in CSI 5* show jumping competitions. Caballero convinces with powerful movement combined with rideability, conformation and quality. A model pupil of this jumping collection. Also with the head number 53 a course athlete of the special kind is for sale. Quasi Plus by Quasimodo van de Molendreef/Quinta Real (breeder: Ignaz Berger, Sulzenbach-Rosenberg) descends from a highly interesting dam line. He is not only the half-brother to Comme Prévu of the Sosath station. In the second generation, this line includes Comilfo Plus Z, who was successful with Christian Ahlmann in international 1.45 m jumping competitions. This licensed stallion is the sire of Calvador Z, who recently placed fourth at the World Championships for Young Show Jumpers in Lanaken. With these genes, the stars for a successful future for Quasi Plus could hardly be any better.
