

For the first, for the second, for the third time **Start of the riding horse and foal auctions in Westphalia**

Münster: The starting signal for two online auctions is given today at the Westfälisches Pferdestammbuch. Bids for riding horses and ponies can be placed until Sunday noon. The auction for foals predispositioned for dressage as well as jumping will end on Monday evening.

Here we go! Since 9 am this morning, bids can be placed for the collection of riding horses and ponies as well as for the foals of the Westphalian Summer Auction.

The lot of riding horses consists of 33 dressage horses and three dressage ponies as well as ten show jumpers. From already placed sport horses, to young talents to educate further, to a partner for the whole family, there is a suitable horse for sale for all requirements. The young talents have been stabled at the Westfälisches Pferdezentrum for a good ten days and are developing positively in the daily training. Video impressions of the training can be viewed at onlineauction.westfalenpferde.de. Trying out the auction candidates is still possible until 2 pm on Saturday after arranging a personal appointment.

All important information about the dressage and show jumping horses including informative photos and videos can be viewed on our online auction platform. Registered users also have access to x-ray pictures and a veterinary examination report. The BidUp of the dressage horses will start at 2 pm on Sunday. The show jumpers will enter the final bidding phase at 4.30 pm.

Bids can also be placed from today on 33 foals predispositioned for dressage and jumping.
